

INSTRUCTIONS: All expenses submitted for reimbursement after your last day of employment will need to be submitted manually by using this expense claim form. Your final expense reimbursement payment will be made via EFT and automatically deposit to your bank Account once this claim has been approved by your manager and submitted for processing. If you have questions about your final expense claim, please contact the Accounts Payable Department.

Guidelines:

- Only ONE Receipt per Line
- Date of receipt: this should be the date found on the individual receipt attached
- Description: this should describe what the receipt is for/ie...Mariott Hotel or Olive Garden or Exxon, etc.
- Customer name: if you are meeting with a customer/client, they should be listed here/or put reason for travel, ie. XYZ Convention
- Receipt # - all receipts should be numbered, and the corresponding receipt numbers listed here next to the cl
- Miles: the mileage is already formulated, so just enter the number of miles traveled here
- Transit will include any fees for transportation (other than rental cars) ie...taxi, bus, subway or uber, etc.
- Lodging will include room charge and applicable taxes only.
- Hotel bills should be broken down if there are charges other than for the room...ie...room service, internet, et
- Meal charges with a customer should not be listed under meals but under customer entertainment
- For Misc Expenses, please provide detailed description in column B
- All expense reports need to be signed by the employee and the employee's manager.
