

Shipping Instructions for Norway, Saudi Arabia, Serbia & Moldova

 Laptop Returns Wiki 

Last Updated: August 25, 2026 by **Jakub Klement** | Version: 8 | 130 views | 1 follower

Publication details

Norway, Saudi Arabia, Serbia, Moldova

These countries will return laptops back to the Brno office - Documentation IS required.

Where do I need to return it to?

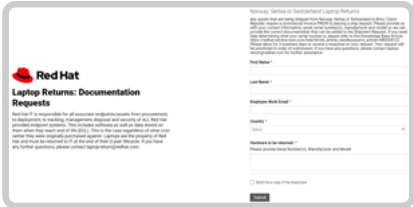

All hardware can be shipped directly back to the Brno Office addressed to IT - Endpoint Systems. Shipping labels can be requested PRIOR to your last day at Red Hat by using the [Global Logistics Center](#) (GLC).

Instructions

Example (click on picture to enlarge)

1. OBTAIN COPY OF COMMERCIAL INVOICE

- A. Any assets that are being shipped from Norway, Saudi Arabia, Moldova or Serbia to Brno, Czech Republic require a commercial invoice **PRIOR** to placing a ship request. You may request a copy of the commercial invoice by providing your contact information, asset serial number(s), manufacturer and model by using this [form](#).
- B. If you need help determining what your serial number is, please refer to this [Knowledge Base Article](#).
- C. Please allow for 3 business days to receive a response on your request. Your request will be prioritized in order of submission.

2. SHIP FROM LOCATION

- A. Address: Please enter your home address as the "Ship From Location" (Note: if you are assigned to an office location the "ship from" will default to that office but may not necessarily be where you are physically shipping from).
- B. Email: This will be the email address that the prepaid shipping label will be mailed to - you may indicate a personal email address.
- C. Pickup Instructions for Logistics: Use this field to indicate your preferred pickup window (morning/afternoon), or to let us know if you prefer using a DHL drop-off point.
